THE LISTER ARMS

IN THE BEGINNING...

Daniel Thwaites is a Lancashire Brewer and Pub Retailer based in Blackburn. We are quite rightly proud of our heritage, which has now adapted, modernised and progressed over two centuries to now be one of the UK's Top 10 Brewers. But where did it all begin?

Back in 1807, an excise duty officer from Blackburn, called Daniel Thwaites, became a joint partner in the Brewery and it has now remained in his family for over five generations. Mr John Yerburgh, our President, is a direct descendant of Daniel Thwaites himself and his forefathers' passion for beer quality and brewing expertise lives on through the family to this day.

Why not try a bottle of Thwaites Ales to complement your meal?

Thoroughbred Gold 4% a dry, zesty beer with a pronounced citrus hoppy nose and flavour - great with fish and chicken

Double Century 4.8% refreshingly amber premium ale, malty character and a distinctive bitter orange finish - works well with steaks and lamb

Flying Shuttle 4.6% silky and smooth, fruit aroma and nutty flavour, just as though it was purposely made for our curry

Nutty Black 3.3% a lovely roasted aroma with a sweet initial taste - well worth trying with our selection of cheeses or sticky toffee
