We are blessed to have some fantastic local produce in Lancashire and so wherever possible; we will always make use of it on our menus. Look out for our specials menu for the best in season. Our food is freshly prepared therefore as such; please recognise that there may be a short delay at peak times.

An advantage of being part of Daniel Thwaites plc, the independent family controlled brewer, is that we also own James Pickup & Co Wine and Spirit Merchants. Established in 1790 and purveyors of fine wines ever since, they are our exclusive supplier. The wonderful thing about having our own wine merchants is that the list has no bounds and when we find a fantastic wine to share we can easily access it. Similarly, as we deal direct with small growers in many instances, we're able to offer top quality wines at a competitive price.
