

Girls Day Out

Have you ever wanted to go shopping with an expert?

A woman who knows the places to buy Gucci, where to find the hidden boutique with the fledgling designers or which H&M store has the best fashion? Now you have an exclusive opportunity.

Perhaps you would like to start your shopping experience the night before with a talk from The Personal Shopper.

The Personal Shopper is a couture designer who gives talks on a range of subjects from the best way to accessorise your outfits, to dressing from day to evening, advice on packing a holiday wardrobe to how to get the most from your shopping expedition.

The following day you will go shopping in nearby Leeds accompanied by The Personal Shopper who will take you to a range of shops to suit your lifestyle, style and budget. After a hectic morning or afternoon shopping, your final destination will be the stylish 4th floor bar at Harvey Nichols where you can indulge in a glass of champagne or perhaps an exotic fruit cocktail.

At only £40 per person this has to be one of the best value luxuries in Leeds.
